Not only is it back to hockey but it's also back to school. Your family may be happy and looking forward to school and others may be dreading the day. Whatever is the case with your family, your family at Shawano Hockey wishes all goes smooth and your family adjusts well to the school year and the hockey season.

SCHOOL OPEN HOUSES

Marketing teams will be at many of the local school open houses to answer questions and promote the health benefits of hockey. Steffens, Dorns and Gibbons are planning the Pulaski open houses, Robaideks will be at Bonduel, and Dillenburgs are organizing Shawano. I'm sure help would be appreciated at any of the schools. If your school has an open house consider be available for questions, we will get you material to use and hand out. If you are interested in helping any of the listed families please contact them. If you wish to organize at your school please contact a board member.

BRAT FRY

We recently held a brat fry at Quality Auto which is owned by Todd Wegner. The event was a success. We would like to thank Todd for offering the opportunity to Shawano Hockey, and Thanks go out to Jon Dillenberg and Mike Johnson for chairing the event and all the others that helped at the event.

FAIR PARKING

Fair Parking at Bank Mutual will once again held. Thrivent Financial has agreed to donate funds based on our profit. At the time we are scheduling daily supervisors and soon calls will be made to fill shifts. Also this year Shawano Hockey will have a booth in the commercial building at the fair.
