October 2010

2010 season

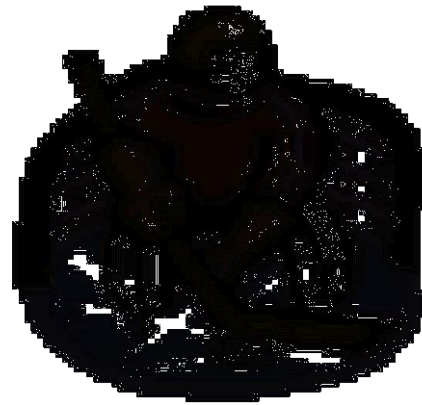

The 2010 Season is under way. Practices have started, games are scheduled, jerseys have been distributed. It has been very exciting to see all the Mite Cross Ice players. Having 29 players ages 5-8 on the ice at one time is amazing. They are all progressing very well.

We have 13 Squirt players, 11 PeeWee and 13 Bantam players. The players are excited to get their seasons underway. Pictures will be taken on soon as scheduling them during practices is finished, information will be coming home soon.

Open hockey has started on Friday nights. Please see www.ShawanoHockey.org for times. Learn to skate and Figure Skate lessons start November 12. Flyers for these programs went home from schools last week.

Concessions

Concessions will be open on Friday nights for Figure Skate, Learn to Skate and Open Hockey. Amico's pizza will be available on Friday nights along with chicken strips and fryer items that were available last year. We have added baked potato chips, pretzels, milk, orange juice and Capri Sun also this year. 12 inch Snap Pizza will be available for families also. The November concession schedule is out so please check to see if you are scheduled.

Fundraisers

We are currently selling 12 Days of Christmas raffle tickets. If you don't have your tickets please see Randy to get yours. You can turn in stubs from tickets sold anytime the Concession area is open. We also have Kwik Trip car wash cards available. The cards sell for \$32 dollars and you get 5 Ultimate car washes on the card. Next week we will start on optional fundraiser. Our players will be selling Snap Pizzas. All proceeds will go towards individual players tournament fees. Pick and Save also offers a percentage of grocery receipts to Shawano hockey if you have a Roundy's card and designate Shawano Hockey as your organization of choice. There is no charge to get the card, then you show it each time you pay.

Pro Shop

We have a Pro Shop this year. Though in years past the concession area sold tape, laces and mouth guards, this year we also have sticks available. Our goal is that the Pro Shop will be open on Thursday nights from 5:00 to 8:15. If we achieve this, players of each age level will be able to visit the Pro Shop. Spirit Wear samples will be available for viewing also. Watch for information on Spirit Wear more information will be coming shortly.

Public Open Skate

Open Skate has started, we look forward to a busy year of skating. Our WIAA players will once again be helping hand out skates. Be sure to tell the boys thank you. Their help really makes the evenings go smoother, and helps them with meeting their volunteer hours.

Saturday's evening open skate is from 7-9pm and on Sunday's from 4-6pm. Come join us for some fun. It is great for younger players to practice their basic skating skills.

The rink is also available to organizations and non-profit group outings. If you are interested in bringing in a group talk to Dan (scheduling) or Randy for more information. With enough notice we can find ice time that would work for the organization and the league, and concession will be open too.
